

Heddington Parish Council

Social Media Policy

The aim of this policy is to set out how Heddington Parish Council plans to use social media. The Code of Practice provides detail to those using the Council's social media accounts. Social media is a collective term used to describe methods of publishing on the internet.

This policy covers the following forms of social media:

- Parish Council Facebook page
- if required, other social networking sites

Email communication and the Parish Council website are not included in this Policy.

The Council will maintain a Facebook account to inform the public about Parish Council business and activity. Social media will augment the Parish Council website and other methods of communication already in use by the Parish Council.

Individual Parish Councillors and staff are responsible for what they post in a council or personal capacity.

The Facebook or other social networking sites accounts may be used to:

- Refer to the Parish Council website
- Share agendas, post minutes and dates of Council meetings
- Advertise events and activities
- Share good news stories or highlight action taken by the council following correspondence from the public
- Advertise vacancies
- Share information from partner agencies such as Principal Authorities, Police, Library, Health etc.
- Announce new information or policies
- Post or share information from other parish related community groups such as schools, sports clubs, and charities
- Refer resident queries to the Clerk and all other Councillors

The Council will not conduct casework or deal with complaints via social media. These should be emailed to the Clerk.

Social media channels are not monitored constantly, and the Council cannot guarantee that enquires via social media will receive a prompt response. If an enquiry or comment is urgent, the Council recommends contacting the Clerk directly using the details on the Council's website.

The Parish Council reserves the right to moderate comments that are posted to its social media feeds, especially if they breach the Social Media Code of Practice outlined below. The Council makes no commitment to respond to individuals and repeat offenders may be blocked from using the Facebook page indefinitely. The Council will not edit any comments made.
